This form must be submitted annually to UPARRA to maintain the status of your coordination. The information on this form is used to keep the UPARRA database up to date, and is provided to the ARRL Repeater Directory. If you want your repeater listed in the directory, state so on this form. If “no” is selected, then only the repeater frequency and location is provided to the ARRL. If 2 years pass, and no Recertification Form is received, steps will be taken to de-coordinate your repeater. Please email this completed form, keeping a copy for your own records.
